

## WE PROVIDE HOME, HELP, AND HOPE

Facing Forward to End Homelessness partners with families and individuals in Chicago who are at risk of or experiencing homelessness.

We provide long-term, stable housing and connections to critical services and resources aimed at improving:

Housing stability  
and life skills

Mental and  
physical health

Employment and  
education opportunities

### HOUSING FIRST

Having long-term, stable housing is the foundation upon which families and individuals in our program can heal from the trauma of homelessness and reach for their self-determined goals.

### TWO-GENERATION APPROACH

To end the cycle of homelessness across generations, we provide parent, child, and youth focused services that promote stability and growth for each individual we serve.
